INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT GENERAL, MYSORE, BANGALORE.

Circular dated 3rd January 1957.

To

All the Heads of Departments.

Sir,

Subject :—Classification of charges by Treasuries and Drawing Officers (State) in the merged areas.

No. T.M. 16—56-57. It has been noticed in the course of audit that certain officers of the districts transferred from the former States of Bombay, Hyderabad, Madras and Coorg are continuing to furnish the same classification, as they were furnishing before the re-organisation of States on the bills/challans presented at the Treasuries even after 1st November 1956 in respect of charges/receipts pertaining to the New Mysore State. This procedure is not correct. Since for all the expenditure and receipts relating to the merged areas also provision has been made in the Budget Estimates of the New Mysore State, the classification to be furnished on all the bills and challans should inveriably be in accordance with the heads of account appearing in Budget Estimates of the Mysore State. I would, therefore request you to issue instructions to all the drawing officers in the transferred districts under your control to see that correct classification as indicated above is noted on all bills/challans, etc., presented at the Treasuries. The Treasury Officers have been instructed to return all/bills/challans which do not bear correct classification.

Yours faithfully,

B. VENKATARAMAN,
Deputy Accountant General.
